Dear Mr Leskaj,

I am writing to you to express my sincere thanks for your huge effort to organize the *Training Seminar on DATA and Analysis in Environmental Audit* and the *15th Annual Meeting of the EUROSAI Working Group on Environmental Auditing* that will be held in few days in Albania.

Also, I was very glad to learn that your SAI became an active contributor to the EUROSAI databases on audits and products. I believe that all the provided information will be highly appreciated by all and will inspire other SAIs to share their results with the EUROSAI members.

Last but not least, again please accept my deepest thanks for organizing our meeting at the beginning of August. It was really nice to visit the ALSAI and to have the opportunity to hold a speech for the auditors of your institution.

I am looking forward to welcoming representatives of the ALSAI at the Seminar on Cooperative Audits that the Czech SAO organizes in Prague on 13-15 November 2017 and to our future fruitful cooperation.

Sincerely yours,
