Dear Mr. Leskaj, dear Colleague,

I have received with great regret the news of natural disaster and tragedy that has befallen Albania.

In these tragic moments, deeply moved by the images of material damage and what is the hardest - human sacrifices, on behalf of my colleagues and myself I extend our deepest condolences and sincere sympathy to You, to all our colleagues in the Supreme Audit Office and to the whole Albanian people upon this sad loss.

Despite natural disasters and exhaustive fight to repair the damage and reduce potential hazards, amazing courage, determination and organization of the Albanian people raises the hope that they will successfully overcome this difficult period. On that way, all colleagues at the State Audit Office of the Republic of Croatia, as well as the whole people of Croatia, are in thoughts of your people.

Sincerely,

AUDITOR GENERAL

Ivan Klesic
