Dear Mr Leskaj,

On behalf of the Kosovo National Audit Office and on my own behalf, I would like to thank you for attending the Thematic Conference "The role and impact of the Supreme Audit Institutions in restoring public trust in the public sector" and the activities marking 15th Anniversary of Kosovo National Audit Office. Your presence helped to make these events a great success.

Your contribution as a panelist on the topic "SAIs demonstrating ongoing relevance to the society, by conducting risk based audits" has certainly been valuable to the conference participants and has offered an interesting perspective on how SAIs can overcome challenges in fulfilling their mission to contributing to transparency and accountability of public administration. I believe that sharing our views and exchanging experiences and good practices, benefits us all.

I look forward to our future cooperation!

Kind regards,

Besnik Osmani

Auditor General
