Mr Bujar Leskaj
Chairman
State Supreme Audit of Albania

Dear Mr Chairman, Dear Bujar,

I would like to thank you for the trust you have placed in the Supreme Audit Office of Poland (NIK) at the last, X EUROSAI Congress in Istanbul, where NIK was appointed a Board Member. For us this decision means a strong commitment to engage even more actively in strengthening the cooperation of Supreme Audit Institutions and mutual support at the European stage.

At the 48. Board Meeting organised just after the Congress, NIK was assigned the function of the Second Vice-President of the organisation, at the request of Mr Seyit Ahmet Baş, the President of EUROSAI. The Supreme Audit Office of the Czech Republic (NKU) was appointed the Governing Board Coordinator for the implementation of the first strategic goal of the new Strategic Plan, i.e. *Supporting effective, innovative and relevant audits by promoting and brokering professional cooperation*. NIK will coordinate the implementation of the second strategic goal – *Helping SAIs deal with new opportunities and challenges by supporting and facilitating their institutional capacity development*. Following this decision NIK will provide NKU with information on your suggestions and proposals concerning the implementation of the first strategic goal submitted so far, supporting, at the same time, the execution of the second goal. Each EUROSAI Member will make effort to include SAIs that communicated or will communicate the willingness to cooperate on the new Strategic Plan, into the implementation of their respective tasks.

We are very glad for all declarations concerning the second strategic goal submitted so far. We would also like to invite you and look forward to cooperating more closely on projects aimed to increase the institutional capacity of our SAIs. Therefore, please provide contact data of the person in your institution, whom we could consult at the working level.

The secretary of the team appointed at NIK responsible for the EUROSAI Board membership is Ms Agnieszka Morawska, Chief Expert at the International Relations Unit, tel. +48 728 412 124, e-mail: agnieszka.morawska@nik.gov.pl.

With warm and friendly regards,

Krzysztof Kwiatkowski
President of the Supreme Audit Office of Poland (NIK)
